## WORK EXPERIENCE

### COMPANIES

2018 - 2019      Engineering designer at Structerre Cousulting

2019 - 2020      Structure Engineer at PEB Steel

—

2021      Assistant teacher at Cybersoft Academy

### PERSONAL PROJECTS

#### Clone full- stack movie booking website

Front-end Deploy on: <http://clone-movie-booking.surge.sh>

This web application client side is built by ReactJS - a JavaScript Framework. I would like to use functional programming for this app - React Hooks is used instead of Class Components LifeCycle. Beside that, some libraries is added:

- Bootstrap and Styled component - for UI control.
- Formik and Yup - for input form user and form validation.
- Axios - for calling RESTful API from Server - AJAX request.
- Redux - a centralized state container for JS app.
- Redux Thunk - a middleware what be added to the Redux store for asynchronous when calling API from server.
- React Router Dom - for pages and URLs controlling.

Back-end on VPS server which is running Ubuntu 20.04

Server-side is built in NodeJS. Inside this application:

- ExpressJS - a back end web application framework for NodeJS is used to support HTTP methods and be a middleware what create APIs.
- MySQL is a purpose for relational database management system.
- Sequelize is chosen in other to connect to Database from NodeJS app.

For deploying Server-side:

- Git-clone to clone source code to server.
- Nginx to reverse proxy server.
- PM2 to manage process for NodeJS application.

#### My website

This is serverless web application and built by ReactJS - using MaterialUI for UI control, Particles for canvas tag.

## EDUCATION

### UNIVERSITY OF ARCHITECTURE

2013 - 2018 Civil Engineering

- GPA: 2.94/4.00 - Degree of classification: Good.

### CYBERSOFT ACADEMY

2020 -2021 Full-stack web developer

- Degree of classification: Excellent.

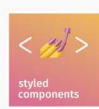

## SKILLS

### TECHNICAL SKILLS

Front-end JS framework: React -

- some techs and libraries included:

Back-end techs:

Manage source-codes:

### ENGLISH SKILLS

Intermediate level: TOEIC Official Score Certification.

### PERSONAL SKILLS

RESPONSIBILITY - ORGANIZATION - TEAMWORK - COMMUNICATION - MOTIVATION

## HOBBIES

VIDEO GAMES - TECHNOLOGY - TRAVELING - RUNNING - BOOKS
